

THUNDERBEARD

Tribute to ZZ Top

TOUR RIDER

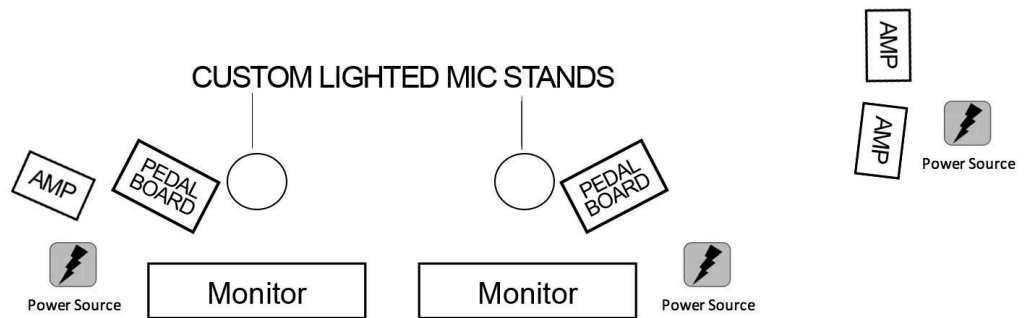

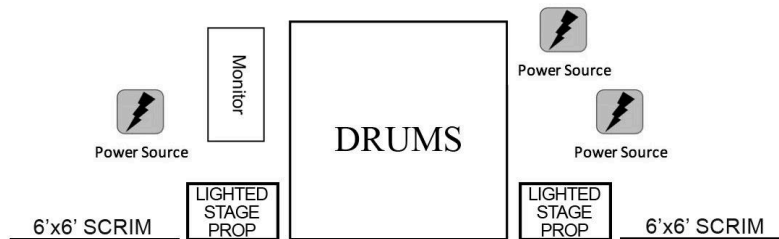

LOAD-IN / LOAD-OUT

- Reserved parking as close to the venue/stage as possible to accommodate an RV plus an SUV with a 10' trailer required.
- A solid pathway from the loading zone to the stage to prevent any injury during load in/out is required. If the loading surface is grass, gravel, sand, or anything not solid, a pathway of plywood will be needed to roll large/heavy cases on wheels.
- Please provide 2-4 sober and able-bodied stagehands to assist with load in/out.
- Minimum 60-minute set up and 45-minute sound check.
- Load out lights will be needed for night-time tear down.
